Contributions to the Middle and High Schools canteen, Chickballapur.

Sir,

I have the honour to state that about 2 to 3 hundred boys of moffusal places are students in the government middle and High schools at Chickballapur and that the EDUCATIONAL authorities have taken up the question of starting a common canteen for these students. On the requisition of the Head Masters of these two schools the Municipal council, Chickballapur considered the question of contributing liberally to start the cateen and have resolved (copy enclosed) in their meeting held on 29/6/44 that a donation of Rs. 150/ each of these two schools may be sanctioned from the closing balance of the Municipality. The President has reported that the lumpsum grant of Rs. 300/ may be sanctioned for the current year and that as there is no provision in the budget to meet this heavy sum, it may be met from the closing balance. In the interests of the poor students who are attending the schools from outside a free canteen is very necessary and the Municipality has to contribute towards its maintenance. In view of these circumstances I recommend that the Municipality may be authorised to contribute Rs.200/ for the current year as a nucleus and a monthly grant of Rs. 5/ to each of the schools so that the continuance of the canteen may be encouraged. The cost will be debited to the closing balance as resolved by the Municipality.

The letters received from the Head Masters are enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Kolar District
